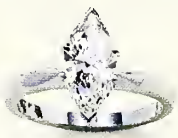
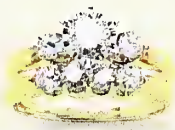
NERVOUS?

Well, who wouldn't be? You've got marriage on the mind, butterflies in the stomach, and



now the diamond decision is staring you in the face.

But even if you don't know the first thing about diamonds, there's one sure way to know you've made a good choice. Zales.



You see, we don't just sell diamonds. We create them. From first cut to hand-finished brilliance.

If you're still nervous, consider this: you can take your Zales diamond home, live with it for up to ninety days, and then return it for a full refund if you're not completely satisfied.

And that makes knowing how to buy a diamond ring as simple as knowing where.

Now relax.

ZALES

A $10,000 job promise. That's it. No strings. No gimmicks. And this offer is even good for 12 months after you graduate.

But why do you need the American Express Card now?

First of all, it's a good way to begin to establish your credit history. And you know that's important.

Of course, the Card is also good for travel, restaurants, and shopping for things like a new stereo or furniture. And because the Card is recognized and welcomed worldwide, so are you.

Casio takes you from high school to high tech.

It's a fact. Nobody has a more complete line of state-of-the-art, scientific calculators than Casio.

Even our basic FX–7 model gives you 23 functions—everything you need to up-grade your grades.

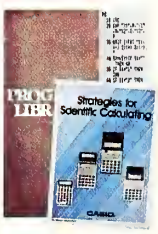
Our FX–900 model is the lowest priced solar scientific calculator under the sun. And not only will its 41 functions save you lots of time and energy, but because its solar cell operates in any normal light, it'll save you from ever having to buy batteries.

And while our credit card size model FX–78 is among the smallest calculators of its kind, with its 41 functions, you have to give it credit for thinking big.

If you want to get with a programmable, our FX–3600P gives you 61 functions and 38 programming steps at only a small step up in price.

And when you're ready for the step up to a computer, our FX–702P will make it easy. It uses BASIC programming language. And its 1680 programming steps and optional peripherals can take you to the highest tech possible using a hand held computer.

High tech at low prices. That's something you've always been able to count on from Casio.



A detailed applications manual comes with each Casio scientific calculator.

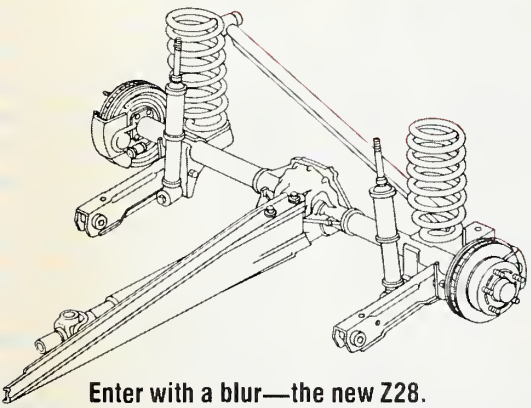
CAMARO

Z 28. SO NEW, ITS CLOSEST COMPETITION IS ITS SHADOW.



CAST A SHADOW ULTRASLEEK.

Consider: Even with downforce-inducing air dam and spoiler, the Z28 gets a .339 coefficient of drag.

A totally redesigned suspension, front and rear, has enabled the Z28 to generate .8g-range cornering power on GM skidpads.

The ergonomically engineered cockpit looks and functions like an executive jet.

The all-new Camaro Z28. It's a unique 2+2 coupe with an unfettered spirit, an uncommon style and an unusual capacity for enhancing all but the most conservative of life-styles.

Some Chevrolets are equipped with engines produced by other GM divisions, subsidiaries, or affiliated companies worldwide. See your dealer for details.

Enter with a blur—the new Z28.

This is an all-new Camaro. Styled to leave some fine 2+2 coupes chasing shadows. With lines cleanly sculpted in a wind tunnel and enough unabashedly advanced engineering to satiate even the most demanding technophile.

Graduate	48	506
Law (degree)	48	517

New students should be prepared to furnish the following items as needed: an original or VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number If benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include: regular class attendence, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned Is acceptable for graduation requirements and major objectives at this Universlty (This includes

transfer credit.), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders:

(1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
(2) Report credit allowed for prior training in cooperation with your adviser by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after August 1 cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to that date. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 167, Administration Building, or by telephoning 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Office, Room 167, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students.

Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.

Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

Persons Over 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll in courses for credit at the cost of $17.50 per undergraduate semester hour, or $24 per graduate semester hour, not to exceed $75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

REGISTRATION PROCEDURES

(1) CONSULTING WITH ACADEMIC ADVISER

Current Students

Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a class schedule with an adviser's signature prior to entering the registration center.

To find where an adviser will be located for assistance in class scheduling, go to the Adviser Locater Station in the Packet Center located in the Old Cafeteria of Jones Hall, when it is open, and in the Late Registration Center, during the late registration period. Please consult the registration calendar for dates and times these Centers will be open.

During scheduled evening hours of late registration, advising is available in the Late Registration Center. During the day (9:00 am-4:00 pm) academic advising occurs in the academic department. Faculty advisers are generally available except when they are teaching. Assistance in locating an adviser can be obtained in the Office of the Department Chairman or in the Late Registration Center.

Handicapped Students

Preferential scheduling is offered to some disabled students to allow them reasonable opportunity to plan around disability-related needs. Students eligible for this service include those with mobility impairments, visual or hearing impairments, dyslexia and others who must accommodate medical or educational needs arising from a disability. Attendants for handicapped students are also eligible.

Preferential scheduling is begun prior to regular registration. Students using this procedure should see their adviser, fully complete the "Student Schedule" form and take it to the Handicapped

Student Service Office well in advance of the beginning of registration. The desired class cards will be pulled before registration opens and will be held on reserve in the Records Referral Center at Registration.

Handicapped students may go through registration at any convenient time **after** the appointment time assigned in the Registration Packet. After being cleared to register, they should proceed directly to the Records Referral Center and pick up their envelope of reserved cards. From there they must proceed through the regular line to complete registration.

If a student for whom cards are pulled in advance should for any reason decide not to complete registration, notification must be given to the Handicapped Student Service Office so that the reserved cards may be returned to the departments for use by others.

All reserved cards that are not picked up during regular registration will be transferred to the Referral Desk at Late Registration. Handicapped students may ask for a waiver of late fee on the basis of handicap if their cards were reserved in advance. However, students who can go through Regular Registration are encouraged to do so rather than going through Late Registration.

For further information and specific details, please contact the Director of Handicapped Student Services, 215 Scates hall, or call 454-2880.

New and Readmitted Students (Undergraduate)

All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. Students who have not seen an adivser will be assigned one.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

Evening (Undergraduate)

New and Readmitted Undergraduate students **enrolling in evening and/or Saturday courses only** may obtain the required registration and advising information in the Evening Academic Services Office, Room 167, Administration Building.

Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 167, Administration Building for advising assistance.

New and Readmitted Students (Graduate) — Day & Evening

New Graduate School students are directed to an adviser following their admission. Students who are classified as Graduate Special or Graduate Provisional should go to the Graduate School Office, Room AD 315, for an adviser.

Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser. Readmitted graduate students not having a major should contact the Graduate School Office for an adviser.

(2) OBTAINING REGISTRATION MATERIALS

The registration packet consists of four basic materials: (1) "Student Information Form," (2) "Registration Appointment Card," (3) "Registration Receipt," and (4) a permanent ID card.

Current Students

Registration materials are mailed to the permanent address of all students currently enrolled, with the exception of those students suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office. When a hold is released, the student is given a release card which tells where and when to secure his packet.

New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of registration and receive instructions on how to accomplish this.

(3) SECURING CLASS CARDS

Students having their "Student Schedule," permanent ID card, and registration materials are prepared to enter the Registration Center to obtain class cards and to pay fees.

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority is based on cumulative hours earned. The student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. **Appointment times do not reflect hours earned during the current term.** For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

Special Courses

Credit/No-Credit Courses — Certain students, **with permission from the dean of their college,** may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin.*

Procedures for registering are as follows: (1) Obtain permit form from academic advisor, complete information on the form, and secure advisor's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Obtain "Class Card Request" form; (5) Take completed permit form and "Class Card Request" to the Registration Center at the appointed registration time.

Audit Courses — The student must: (1) Obtain academic advisor's approval; (2) Go to the department in which course is taught and pick up "Class Card Request" form; (3) Take the "Class Card Request" to the Registration Center at the appointed registration time. Fees for audit courses are the same as for credit courses. Further details on audit courses are found in the undergraduate *Bulletin.*

Late Registration
Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 204 Scates Hall. A student will be charged $10.00 to replace a card that has been damaged, stolen, or lost. A charge of $2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time ID card validation. ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for a full-time academic load, consult the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

(4) PAYING FEES

Students should not enter the Registration Center unless they are prepared to pay fees. Registration is not completed until fees are paid. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship" or "Authorized Billing" stations in the Fee Payment Center. Students will not have their names placed on the class rolls until after all fees are paid.

Students may not register until all outstanding financial obligations have been cleared.

Returned Checks
It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. A $10.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Check cashing privileges will be revoked for any student who has had checks returned by his bank more than once within a twelve-month period.

FEES AND DEPOSITS

Application Fee
Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of $5.00.

Maintenance Fee
All students, whether resident or non-resident, pay a maintenance fee. Maintenance fees are based upon student level rather than course level. A graduate student registering for any undergraduate hours will pay graduate rates. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman.*

Residence hall occupants should ask for a special resident decal when registering their automobiles.

The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

Certain courses in chemistry require breakage deposits from $10.00 to $20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

Physical Education Locker and Towel Fee
Students enrolled in physical education courses must pay a fee of $4.00 for the locker and towel issued them. Students must provide their own lock.

Late Registration
Students who do not complete registration (including the payment of fees) during the official registration period will be charged $10.00 for any late registration following the official registration period.

Adding and Dropping Courses
A fee of $5.00 will be charged for each change of course form processed, regardless of the number of course or section changes included on the form.

Transcripts
There is no fee for transcripts. However, the student will be charged $1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

Diploma Fee
Each candidate for a degree from Memphis State University pays a $25.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons over 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

STUDENT FEE REFUND PROCEDURES

Maintenance Fees, Out-of-State Tuition, Music Fees
The following refund percentages apply to students who withdraw from the University or who drop to an hourly load below full-time.

1. 100% Refund: A full (100%) refund of fees will be made for courses cancelled by the University.
2. 75% Refund: The University provides a 75% refund of enrollment fees beginning at the moment of registration and extending for a period of time as noted in the term calendar for the semester.
3. 25% Refund: A 25% refund of enrollment fees is provided after the expiration of the 75% refund and concludes as noted in the term calendar for each semester.
4. 100% refund in case of death.

If a student withdraws during the 75% period, all of the student activity fee is refundable. There is no refund of the student activity fee after this period.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date or percentage cannot be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons which are beyond the University's control or responsibility.

Note on the term calendar in the *Schedule of Classes* that the refund period ends earlier than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately two weeks after classes begin and usually should be completed six weeks after classes begin.

Appeal Procedures for Fees and Refunds
A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

Credit by Examination or Placement Examination
The fee for taking an examination for credit is $15.00 minimum and an additional $5.00 for each credit hour over three; this fee must be paid prior to the examination. The same fee must be paid when an application for credit is made under the Credit by Placement Examination policy.

(5) CHANGING ENROLLMENT STATUS

CHANGE OF COURSE APPLICATIONS "ADD-DROPS" WILL BE PROCESSED **ONLY** AFTER THE REGULAR DATES OF REGISTRATION, COMMENCING ON THE FIRST DAY OF LATE REGISTRATION.

Change of Course
After a student's registration is complete, he may change his class schedule by adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISOR. Time limits for add/drop are outlined in the semester calendar. A fee will be charged for each change of course transaction before it is processed. There is no charge for a for a change made as a result of the University cancelling a course.

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean.

Students who wish to discontinue attending and who are enrolled in one course only must withdraw, not drop the course.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course and section numbers, time and credit agree with what they requested. Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have been changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.

University policy prohibits the waiving of the change fee when a course section has been closed and later reopened. The University reserves the right to cancel courses or sections, or to combine sections.

Withdrawal Procedures
Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.

(1) Undergraduate Students—the Center for Student Development, Room 120, Scates Hall

In order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who move should leave a forwarding address with the post office so that all University mail will reach them at their new address.

Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center or Late Registration Center, when these are open, and in the Records Office thereafter.

Specific questions concerning academic retention/suspension should be directed to the Evening Academic Services Office, Room 167, Administration Building, between the hours of 12:00 Noon-8:00 p.m. Monday through Thursday, and 8:00 a.m.-12:00 Noon on Saturdays.

PRIVACY RIGHTS OF PARENTS & STUDENTS

ANNUAL NOTICE TO STUDENTS

Annually, Memphis State University informs students of the Family Educational Rights and Privacy Act of 1974. This act, with which the institution intends to comply fully, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

A. Release of Personally Identifiable Student **Education Records.** Memphis State University shall not permit access to or release of any information in the **Education Records** which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:

1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
3. Appropriate persons in connection with a student's application for or receipt of financial aid.

4. Federal or State officials as defined in the regulations concerning this law.
5. State and local officials authorized by State statute adopted prior to November 19, 1974.
6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
7. Accrediting organizations to carry out their functions.
8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.

Note:

All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

B. Definitions:

— **Educational Records.** "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.

— **Student.** A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.

— **Directory Information.** "Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

— **Access.** To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.

— **School Officials.** School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University.
Employees whose responsibilities place them within this category include: teachers; faculty advisors; admissions counselors; academic advisors; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.

— **Legitimate Educational Interests.** Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.
In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs, professional fraternities, special interest clubs, and student government.

C. Procedure for Gaining Access to **Educational Records.**

— To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

— If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.

— The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

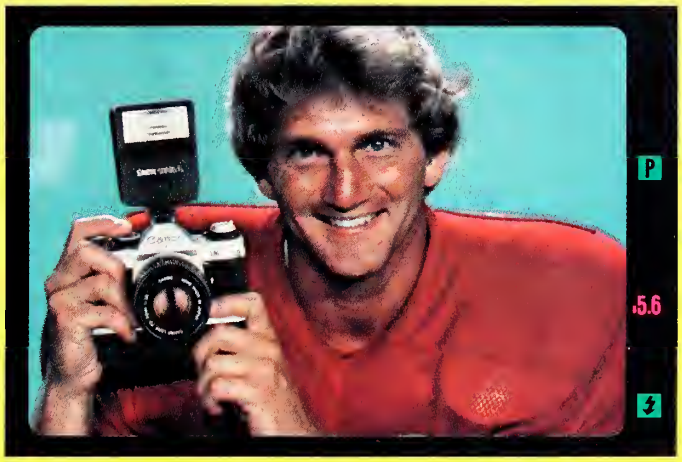
THE NEW AE-1 PROGRAM

Nobody has been able to make fine photography this simple. Until now.

There has never been a high quality 35mm SLR camera as simple to use as the Canon AE-1 PROGRAM. That's why people who don't have time for complicated cameras, like Washington Redskins' quarterback Joe Theismann, carry it with them wherever they go. And you should, too.

Indoors or out, day or night–in any light–the AE-1 PROGRAM is designed to give you perfect pictures automatically. You just focus and shoot. Really. When set on "PROGRAM" the advanced electronics inside provide total automation, so you can concentrate on your subject.

For action photography, there's also shutter-priority automation, which lets you choose a speed fast enough to "freeze" moving subjects while the camera's electronic brain automatically adjusts the lens opening for the lighting conditions.



Flash photography is totally automatic as well, and with the new Canon Speedlite 188A with built-in exposure confirmation, you can tell you've gotten a perfect flash picture before removing your eye from the viewfinder!

There are new and exciting accessories that add even more versatility. The Power Winder A2 provides single-frame and continuous motorized shooting at up to two frames-per-second. Or, for really fast action, you can add the Motor Drive MA for up to 4 fps. rapid sequence shooting.

There are eight interchangeable focusing screens and nearly fifty Canon FD lenses that fit the AE-1 PROGRAM. So you can shoot a wide-angle panorama, do candid portraits or use a Canon zoom lens to really reach out and bring your subjects up close. Best of all, when you add any of these exciting accessories, shooting is still automatic. And just as simple.

Ask your Canon dealer to show you the camera that makes fine photography simple. The new Canon AE-1 PROGRAM. It's one more reason we're the world's leader in 35mm photography.

Give AMF Voit a name and direction for marketing its new flying disc line and $5,000 win up to...

AMF Voit has developed the most aerodynamically pure flying discs on the market. We had to because we're challenging Wham-O® Corporation, the makers of the Frisbee® brand flying discs. Wham-O has nearly 80 percent of the flying disc market. But we aim to change that. And, we're offering you the opportunity to win up to $5,000 when you help us market our new line of flying discs.

MADE FOR THE ENTHUSIAST

Our new line is made for the flying disc sports — Ultimate, Freestyle, Distance, MTA, Golf and Guts. We've incorporated the latest technology and materials such as a thinner flight (center) plate, textured grip ring and have repositioned 35 percent of the disc weight to the outer rim. These structural changes cause our discs to fly farther straighter and float longer.

NEW, PATENTED TWO-PIECE DISCS

Both our one- and patented two-piece discs are engineered and calibrated for top performances in every flying disc sport. Even our special K-9 disc has been designed to withstand the punishment of Fido's fangs.

RULES: **DEADLINE FOR ENTRY: November 1, 1982**

All entries become the property of AMF Voit and its parent company, AMF Inc., and winning entries may be used for advertising and commercial purposes. $5,000 will be awarded as follows: $1,000 Brand Name, $1,000 Brand Position, $1,000 Advertising Direction, $1,000 Promotion Ideas, $1,000 Overall Plan. Entries will be judged by a panel of marketing and advertising professionals and their decision will be final. Entries will be judged on a basis of originality, market insight, presentation, practicality for implementation. Entries will not be returned. The winners will be notified by registered mail no later than December 1, 1982. No consideration is needed for entry. No employees or member of employee's families of AMF Voit, Inc., AMF Inc. or any subsidiary of AMF Inc. are eligible to participate. Members of families of AMF Voit's advertising or sales promotion agency are not eligible to participate in this contest. Contest void where prohibited by law.

A CLASSIC MARKETING PROBLEM

What results is a classic marketing problem. How can a company with a 50-year history of quality sporting goods manufacturing capture this emerging sports market share from the leading manufacturer, in this case Wham-O Corp., who has almost 80 percent of the disc industry's total sales? How can AMF Voit succeed when the Frisbee® brand flying disc has successfully fought off past corporate challengers?

$1,000 FOR GIVING US A NAME

When determining the name for AMF Voit's new flying disc line, consider our reputation for excellence. Think of a name which would best portray Voit's background and the **best** performing flying discs on the market.

$1,000 FOR GIVING US A BRAND POSITION

Next consider how you would position the flying discs, along with their new name, in the marketplace. Some things to ask yourself might be: How can I create a distinct difference between the AMF Voit disc and the Frisbee® brand flying discs? How can I make the consumer know that the AMF Voit disc has unique and superior qualities?

$1,000 FOR GIVING US A PROMOTIONAL CAMPAIGN

A very important part of any new product program is its promotional campaign. What kinds of special promotions would you recommend to heighten the awareness of the new AMF Voit flying discs? What type of big event (if any) would you suggest to garner publicity and to create a favorable impression of the new line?

$1,000 FOR GIVING US AN ADVERTISING DIRECTION

And, to round out your campaign, how would you advertise the new line? Would you use TV, radio, outdoor, newspapers, special interest magazines or some other medium to spread the word about the new AMF Voit flying discs? What kind of theme would you use? Would you hire a celebrity as a spokesperson for the line? Who? Why?

$1,000 FOR BEST OVERALL MARKETING PLAN

For eligible entry into the AMF Voit "Name the Flying Discs Contest," we need: A Name, Positioning in the Marketplace, Promotional Campaign and Advertising Program.

Beyond quartz, the world's most precise tuning system, lies the extraordinary ability to expand sound.

Imagine you're in a room with Technics SA-828 receiver. What you hear is beautiful stereo. Then you activate Technics variable Dimension Control. Incredibly, the sound begins to move. The stereo image widens to the point where the music begins to surround you. You're intrigued by its richness and depth. You're enveloped by a new experience in sound. That's the wonder of the patented technology in Technics Dimension Control.

Just as wondrous is quartz synthesis, the world's most precise tuning system. That's how the SA-828 quartz synthesizer eliminates FM drift as well as the hassle of tuning. You can even preset and instantly retrieve 7 FM and 7 AM stations, all perfectly in tune.

Another perfect example of Technics technology is our synchro-bias circuitry. What it does is constantly send minute amounts of power to the amplifier transistors. And since they can't switch on or off, switching distortion is eliminated.

And when it comes to power, the SA-828 has plenty: 100 watts per channel minimum RMS into 8 ohms from 20Hz to 20kHz with no more than 0.005% total harmonic distortion.

The SA-828 goes on to show its sophistication with a super-quiet phono equalizer, soft touch program selectors, fully electronic volume control, and a Dimension Control display that doubles as a power level meter.

Technics SA-828 is part of a full line of quartz synthesized receivers. Hear it for yourself. Beyond its quartz synthesizer lies a new dimension in sound.

GIVE US 17 WEEKS AND WE'LL TURN YOUR DEGREE INTO A BAR OF GOLD.

Before you question what you're going to do with your college education, consider what you can do with it as an officer in the Coast Guard. Although we're small—about 38,000 strong—our work is some of the most important in the country.

After just 17 weeks of specialized training, you'll take a management position with real responsibility. Protecting our coastlines. Regulating the 200-mile fishery conservation zone. Intercepting narcotics trafficking.

All big jobs. Requiring top people.

That's why we need good, qualified, ambitious men and women.

We're especially interested if you have a technical degree—in engineering, science, mathematics or computers. We've got plenty of work that takes your special talents and skills.

The benefits. And the rewards.

- Starting salary of over $16,000 that can increase 40% in three years.
- Free medical/dental care for service members.
- Post-graduate tuition assistance.
- Living-quarters allowance.
- Thirty days paid vacation per year.
- Retirement after 20 years.

How to apply.

See your college placement office or call:

Lt. Stephen Jackson,
800-424-8883 toll free.
(Except Alaska, Hawaii and Washington, D.C.)

COAST GUARD O.C.S.

We can make your degree pay off in gold.

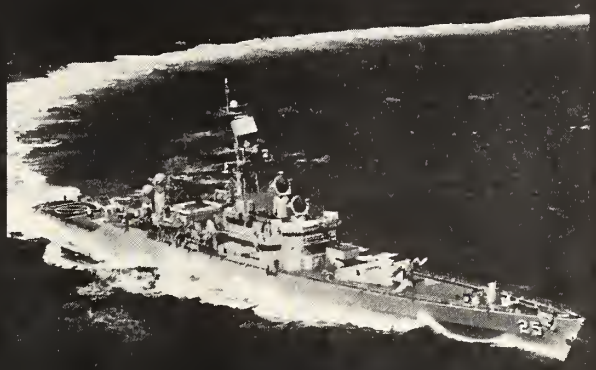
The Most Sophisticated Training Ground For Nuclear Engineering Isn't On The Ground.



It's on a Navy ship.

The Navy has more than 1,900 reactor-years of nuclear power experience—more than anyone else in America. The Navy has the most sophisticated nuclear equipment in the world. And the Navy operates over half of the nuclear reactors in America.

With a nuclear program like that, you know the Navy also offers the most comprehensive and sophisticated nuclear training.

Every officer in the Nuclear Navy completes a full year of graduate level technical training. Outside the Navy, this kind of program would cost you thousands. In the Navy, you're paid while you learn.

Then, as a nuclear-trained officer, you supervise highly trained personnel in the operation of the most advanced nuclear propulsion plants ever developed. You get a level of technical and management experience unequalled anywhere else.

You get important responsibilities and you get them fast. Because in the Navy, as your knowledge grows, so do your responsibilities.

Today's Nuclear Navy is one of the most challenging and rewarding career choices a man can make. And that choice can pay off while you're still in school. Qualified juniors and seniors earn approximately $1,000/month while they finish school.

As a nuclear-trained officer, after 4 years with regular promotions and pay increases, you can be earning as much as $37,400. That's on top of a full benefits package that includes medical and dental care, and 30 days' vacation earned each year.

As a nuclear-trained officer, you also earn a place among this nation's most qualified and respected professionals. So, if you're majoring in math, engineering or the physical sciences, send in the coupon. Find out more about the most sophisticated training ground for nuclear engineering. Today's Nuclear Navy.

Since most speakers promise live concert sound, we'd like to remind you which speaker delivers the sound at most live concerts.

Look through any of today's popular audio magazines and you'll find an amazing number of speaker ads that promise live concert sound. While that's a remarkable promise, it's even more interesting when you consider one simple fact—the sound you actually listen to at most live concerts is brought to you by JBL loudspeakers.

Perhaps this overwhelming professional acceptance is due to the loudspeakers' legendary engineering and quality. Or perhaps it's their wide dynamic range, extended frequency response, and high reliability. But these important features are only part of the story. At JBL, we think the real reason lies in the speakers' unmatched ability to bring out the best in music.

To find out what JBL loudspeakers can do for your audio system, visit the specialists at your local JBL dealer.

First with the pros.

The box grows up.

It's not just a box. It's a mature, sophisticated stereo system. Introducing the new Panasonic Platinum Plus 3-piece portable stereo systems. With separate speakers, an AM/FM/FM stereo receiver and stereo cassette deck.

Outdoors, the Platinum Plus stereo system is totally portable. Its 3 pieces join together as one. To all work in perfect harmony. Indoors, it transforms into a home stereo without losing a beat.

This Platinum Plus RX-C100 (shown) has a chorus of features you'd expect to find on component systems. Like independent 2-way speakers with 6½" woofers and 1½" tweeters. A 5-band graphic equalizer. It gives you a separate tone control for every two musical octaves. So you can really fine-tune the bass, treble, and midrange. The cassette deck has Dolby* noise reduction, and sets recording levels automatically or manually. So every tape comes out sounding astoundingly crisp and clean. But there are a lot more pluses to this Platinum Plus. It has a Tape Program Sensor that makes it easy to skip a song you don't like and find one you do. It also has precision fluorescent LED meters, linear scale tuning, and more. And for people who want a lighter and more compact Platinum Plus system, there's the RX-C60.

So get the box with all the pluses. Panasonic Platinum Plus. *Dolby is a trademark of Dolby Laboratories.

Fuego Turbo from Renault is an education in excitement. Slippery and simmering. With a heritage earned on the tracks of the world by the first turbos ever to race Grand Prix and win.

Study Fuego Turbo's performance. Five forward speeds powered by a 1.6 litre intercooled turbo that creates 11.6 psi maximum boost. Bosch L-Jetronic fuel injection. Performance that's responsive yet civilized enough for a highway estimate of 39 MPG and an EPA estimate of 26 MPG.*

Learn about handling from Fuego Turbo. Front-wheel drive with stabilizer bars front and rear. Michelin TRX radials. Vented front disc and rear drum brakes refined by Renault's balanced anti-lock system.

Fuego can teach you what styling is all about, too. A wind-smooth exterior with a drag coefficient of 0.35. Indoors, a cockpit with laser-calibrated visibility, bio-formed seating and an adjustable leather-wrapped sport wheel.

Fuego Turbo from Renault. Racy. Exciting. Less than $11,000.** It's one subject you can really get into.

*Compare 1982 EPA estimates with estimated MPG for other cars. Your actual mileage depends on speed, trip length and weather. Actual highway mileage will probably be lower.

NATIONAL UNIVERSITY CONSORTIUM
FOR TELECOMMUNICATIONS IN TEACHING

TELEVISION-ASSISTED DIRECTED STUDY COURSES

This fall Memphis State University, in conjunction with WKNO-TV, offers television-assisted courses for adults working toward bachelor's degrees. These courses, designed by specialists in a variety of fields, are rigorous and challenging. They have been developed by the National University Consortium, of which MSU is a member, to serve the special needs of adults who, because of work and family obligations, distance, or handicap choose not to attend on-campus classes. Persons in Memphis and the surrounding areas of Arkansas, Mississippi, and west Tennessee within the broadcast area of WKNO-TV may enroll.

Independent reading is a major component of each course. Students will be guided in their studies by a detailed week-by-week syllabus, interactive texts, supplementary readings, self-assessment exercises and written assignments. Half-hour television programs supplement the reading and will be broadcast bi-weekly on WKNO-TV. Video tapes of the television programs will be available for viewing in the Learning Media Center. Written assignments will be evaluated by a faculty member with whom the student may confer by phone or in person. Students may also attend optional discussion sessions.

Registration for these courses may be completed by mail; books may also be ordered by mail. Fees for in-state students are $35 per credit hour; out-of-state students pay $37 per credit hour. Contact the University College at 454-2716 for further information.

100 smiles to the gallon.

Introducing the 1982 Honda Urban Express® Deluxe. At up to 100 mpg,* it's just about the best way to get around town, and the high cost of gasoline.

The Urban Express Deluxe has a lot more style, too. And it won't cramp yours because it's designed to give you a much more comfortable ride.

It has higher handlebars and a plush, lower seat. There's more legroom so adults can stretch out. And a larger front tire for the big bike look. It also comes complete with chromed front and rear fenders and a special metallic paint job.

There's both an electric and kick starter to get you off and running with ease. An automatic clutch means you don't have to worry about shifting. And there are no pedals to pump. So it's really easy to ride.

If gas prices are giving you a long face, start getting 100 smiles to the gallon with the Honda Urban Express Deluxe. See it at your local Honda dealer today.
